January 2, 2025

Dear Madam President,

On **Thursday, May 15, 2025**, our **Federation** will celebrate its **109th Annual Convention**. The theme this year is "**Legal Aspects Affecting the Future of Women.**"

At the Convention, the **Federation** will honor one member from each organization to receive "**A Woman Who Plans for the Future Award**". Please choose a member from your group who is perceptive and insightful, exhibits forward thinking and promotes confidence in others. Select an inspirational woman who embodies these traits through her actions.

Please complete the enclosed form with information about your chosen honoree and **return it by February 14, 2025** to ensure that her name and accomplishments can be included in the convention program and in publications. The mailing information is on the form and you may also view this document on our website at www.jewishwomensfed.org.

We are excited to recognize our honorees in a very special way by adding names to a "**Mazel Tov**" booklet that we will send to them. A form explaining how you can pay tribute to your special honoree will be sent at a later date.

Our **109th Convention** will be a special event held in person at **Baltimore Hebrew Congregation**. We look forward to sharing this milestone event with you.

B'Shalom,

Shulamit Finkelstein
President

Julie Bernstein
